## FINAL DISPOSITION REPORT

Leave Blank

**Note:** This vital report must be prepared on each individual whose arrest fingerprints have been forwarded to the FBI Identification Division without final disposition noted thereon. If no final disposition is available to arresting agency, also obtain subject's right four finger impressions on this form, complete left side and forward the form when case referred to prosecutor and/or courts. Agency on notice as to final disposition should complete this form and submit to: **Director, FBI, Washington, D.C. 20537, Attention: Identification Division.**  
(See instructions on reverse side)

## INSTRUCTIONS

1. The purpose of this report is to record the initial data of an individual's arrest and thereafter secure the **final disposition** of the arrest at the earliest possible time from either the arresting agency, the prosecutor or the court having jurisdiction. (INTERIM DISPOSITION INFORMATION, e.g., RELEASED ON BOND, SHOULD NOT BE SUBMITTED.) The SUBJECT'S NAME, CONTRIBUTOR AND ARREST NUMBER should be exactly the same as they appear on the fingerprint card IN THE FILES OF THE FBI. The FBI number should be indicated, if known. Agency ultimately making final disposition will complete and mail form to: **FBI Identification Division, Washington, D.C. 20537.**
2. **The arresting agency** should fill in all arrest data on left side of form and obtain the finger impressions of the right four fingers simultaneously. This should be done at the same time as the full set of fingerprints are taken on the arrest fingerprint card. If the arrest is disposed of by the arresting agency, as where the arrestee is released without charge, then the arresting agency should fill in this final disposition and mail form to FBI Identification Division. Of course, if final disposition is known when arrest fingerprint card is submitted it should be noted thereon and this form is then unnecessary. In the event the case goes to the prosecutor, this form should be forwarded to the prosecutor with arrestee's case file.
3. **The prosecutor** should complete the form to show final disposition at the prosecution level if the matter is not being referred for court action and thereafter submit form directly to FBI Identification Division. If court action required, the prosecutor should forward form with case file to court having jurisdiction.
4. **The court** should complete this form as to final court disposition such as when arrested person is acquitted, case is dismissed, on conviction and when sentence imposed or sentence suspended and person placed on probation.
5. When arrested person convicted or enters guilty plea to lesser or different offense than that charged when originally arrested, this information should be clearly indicated.
6. If subsequent action taken to seal or expunge record, attach certified or authenticated copy of court order to this form so that FBI can return arrestee's fingerprints to original contributor.
7. It is **vitaly important** for completion of subject's record in the FBI Identification Division files that **Final Disposition Report** be submitted in every instance where fingerprints previously forwarded without final disposition noted thereon.

Dear Sir:

Late 70's you came to Utah State University and preached to the school and students. I know that you put a lot of work and efforts to in the Missionary work.

You ship America's most valuable resources to our territory. You came to Mohammed to the mountains. We treat them good.

We should always have collateral, and negotiate from the position of strength. We come to your school, at our own expense for education and friendship. You let the Mission to our jurisdiction and at our mercy. It is good for balance of power.

You treat us good in Utah and we treat your loved ones good in Europe. We are all equal. One should not be more equal than the other. To this of us, we treated your sons and daughters very good.

people, on the other side, didn't treat me good. It shows in the letter I regret I received from you. You people didn't treat me with good faith. Look at the letter I received. I said, "Go to hell!" He went.

Our relationship was built in case of crisis with each other without asking. I see a Mormon brethren needs help, I am asked to help, but the bastard refused. When we asked him, he ran for cover.

Now, you are in power. I am not going to let you be as ignorant as that ignorant soul. You are special. You have received the calling to act with power and authority.

Please, don't think, not even for a moment that you are not going to get it. It is not good for your prestige. Nine million people follows you. You are a great man and you are going to ignore me. I am one of many people who are waiting for your performance.

I am not an engagement with you. I am not an engagement with you. I am not an engagement with you.

When you hear these things, do not be alarmed as we are not here to cause any trouble. We are here to come and talk to you and promote missionary work. Like him, I am on his side. I am on his side.

Missionary work is a lot to him. People are not going to disturb their work. If you are not going to deal with me with good faith. Most people in Utah believe in him. He says that most of them pray for his father in heaven before they go to church. They are a lot of people.

Now the older people, most people in Utah, let their loved ones to come under our banner to preach the gospel to us. Yes, they say this unto you. You don't have to make a lot of us. We are not using any of the missionaries to go out under the banner of the Lord.
